Business Thought Leader, CEO at [A] Growth Agency

Hamlet Azarian's journey, which began at USC's entrepreneurship program, took him through various sectors, from retail to financial, where he gained valuable insights into customer understanding and market dynamics.

At PD Financial, Hamlet experienced the potential for rapid growth. The financial crisis shifted his focus to consulting, where he refined his digital strategy skills. This period underscored the importance of an integrated approach, not just isolated tactics.

In 2020, [A] Growth was born from these experiences. They are a team dedicated to empowering businesses with data-driven, full-funnel strategies.

[A] Growth's collective approach combines rapid experimentation with a growth mindset.

Today, [A] Growth isn't just Hamlet Azarian's vision but a shared mission. They've helped raise significant funds for innovative companies, focusing on building sustainable growth engines.

[A] Growth is committed to the unique journey of each business, turning entrepreneurial visions into reality.
